REVISED JOINT CLAIM CONSTRUCTION STATEMENT

The Parties hereby submit this Revised Joint Claim Construction Statement to correct an error in the originally filed Joint Claim Construction Statement. Specifically, Defendant's proposed construction and supporting evidence for claim term 8 ("side plates") was inadvertently repeated for claim term 9 ("rear roller extends between the side plates and supports the side plates for movement over the ground"). The attached Revised Table of Claim Terms corrects this error by providing Defendant's proper proposed construction and supporting evidence for claim term 9. The remainder of the Revised Table of Claim Terms is unchanged.
